

Photograph and video consent form.

Occasionally we may take photographs/video footage of the children during our classes/shows or performances or any other activity run by our dance school. This work will be carried out by an employee of our dance school who has been fully Enhanced DBS checked. This page is to inform you of the reasons why we take this footage and where and how it will be used.

The photographs and videos that are recorded may be used in the following ways:

1. On our website at www.danigrantdance.com
2. On our Facebook and Instagram profiles which can be found at @danigrantdance. Footage may be used for social media posts, stories and social media advertising on these platforms.
3. On promotional materials such as posters, business cards and flyers. Such items will be displayed in venues outside of our dance school and in public places.
4. Within our e-newsletter.

Additional notes:

- If your child's face is to appear on any promotional material (social media adverts or printed posters) we will inform you of this prior to printing or launching a social media advert.
